

Lakesha Robinson - Board Member

Lakesha is a St. Louis native with two decades of experience in education and nonprofits, excels in youth and family programming, strategic planning, and integrating mental health services. As the former Community Engagement Director for United 4 Children and Executive Director for Horizons St. Louis, she champions innovative strategies for youth development and education. Holding an MSW and a Bachelor of Science in Human Environmental Studies, Robinson is committed to creating positive change and improving opportunities for youth in her community. Passionate about community-led advocacy, Lakesha is skilled at group facilitation and consensus-building. In recent years, she has cultivated productive working relationships with project stakeholders to advance education system improvement. In 2017, Lakesha founded LMR Enterprise to leverage management resources in companies, nonprofits, and programs. She co-created an equity framework addressing agency policies, procedures, and culture through continuous staff review. Currently serving as the Senior Advisor to the Mayor of St. Louis, Lakesha is dedicated to improving access and collaboration among entities to positively impact the community.
